Traditional Settings

Anchor Patio

You can't get much closer to the lake without getting wet! Surrounded by lush landscaping, this outdoor venue is the most popular destination wedding location. The herringbone pattern of the earth tone bricks provides a beautiful setting for any wedding ceremony or reception. Should you decide to have both your ceremony and reception on the Anchor Patio, you do not pay a separate ceremony site fee.

Anchor Patio w/ Tent

A white frame tent provides a shelter from the sun for your guests and a grand backdrop for any occasion. The tent includes basic lighting and can easily be decorated to fit any theme. Have the outdoor wedding you've always dreamed of without worrying about the weather; tent sides can be added at an additional charge.

Gazebo (Ceremony Only)

Invite your closest friends and family on the elevated lawn while you say your vows underneath our garden gazebo.

Beach (Ceremony Only)

Always dreamed of a destination wedding? Make your dreams a reality by choosing the beach for your ceremony location.

Admiral Ballroom

The Admiral Ballroom boasts the largest indoor space at Fourwinds. This very versatile ballroom has no pillars or posts allowing for flexible seating arrangements to meet the needs of any event. This room can be divided into two rooms; restrooms and a water fountain are conveniently located in the hallway just outside the room. The addition of a dance floor for your event may reduce the number of guests that can be seated comfortably.

Commodore Ballroom

The Commodore is the second largest ballroom with a softer architectural ceiling. This room is ideal for both indoor ceremonies or receptions. Restrooms are available in the hallway. The seating arrangements may reduce the number of guests that can be seated comfortably.

Coral Room w/Patio

This room is ideal for a private rehearsal dinner, day-after brunch, engagement parties, and more. It comes with its own fireplace and private patio.
